

hacker space

The text "hacker space" is rendered in a 3D, isometric style. Each letter is a white, blocky character with a dark grey shadow underneath. The letters are filled with a variety of colorful, small icons representing technology and digital work. These icons include laptops, desktop monitors, keyboards, mice, servers, routers, and various abstract shapes in colors like blue, orange, green, and purple. The overall aesthetic is modern and tech-oriented.
